

## The Buried Giant: A Novel

An extraordinary new novel from the author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day*. You've long set your heart against it, Axl, I know. But it's time now to think on it anew. There's a journey we must go on, and no more delay... *The Buried Giant* begins as a couple set off across a troubled land of mist and rain in the hope of finding a son they have not seen in years. Sometimes savage, often intensely moving, Kazuo Ishiguro's first novel in nearly a decade is about lost memories, love, revenge, and war.
