

The Clique #2: Best Friends for Never: A Clique Novel

In the second book starring Westchester County's most privileged middle schoolers, the Clique declares Massie a hero for hosting the first boy/girl Halloween party of 8th grade. Massie already hired Landon Dorsey, the hottest party planner in the 9-1-4 area code, but her parents insist she has to invite the entire class. Unfortunately that means everyone. Layne is bummed that the boys will be there -- she IMs Claire that so DESPR8 -- as Claire wonders if maybe a boyfriend will make her happy. Meanwhile, Massie and the Clique are fighting over who gets to invite Derek Herrington. Dylan thought it was obvious that she was the one who danced all night with Derek at the OCD benefit last month, but says Whatever when Kristen gets all weird about it. Fine, she can have him. He was a terrible dancer anyway and there will be tons of guys to choose from at the party....
