

# The Melancholy of Haruhi Suzumiya, Vol. 2 (Manga)

Lets track down aliens, time travelers, and psychics and hang out with them! Haruhi Suzumiya established the SOS Brigade for that sole purpose. But whys she been acting so strange of late? So...melancholy? Unable to locate any supernatural beings (even though theyre right there in the club room the whole time), Haruhis frustrations turn violent. Whats Kyon gotten himself mixed up in this time?! Enjoy volume 2 of this somewhat abnormal high school story!
