

The Nanny Solution (Silhouette Special Edition)

Sit. Stay. Roll over. Good Boy. Well, these commands worked for the puppy. Unfortunately, Audrey Grahams new boss was not so easily tamed. After a difficult year, she needed to get back on track, and accepting a job as dog nanny for millionaire businessman Simon Collier was the first step. But Simon, like the incorrigible puppy hed bought for his young daughter, had a mind of his own. He was gorgeous, sexy and got what he wanted and he wanted Audrey. Simon couldnt stand to see Audrey hurt. He would help her, and then he would have her. And he would show her that not all men were dogs.
