

The Narrative of Arthur Gordon Pym of Nantucket (Collins Classics)

HarperCollins is proud to present its incredible range of best-loved, essential classics. It was unnecessary for all to perish, when, by the death of one, it was possible, and even probable, that the rest might be finally preserved. Travelling aboard a whaling vessel, a young stowaway is swept up in myriad misadventures - mutiny, shipwreck, cannibalism - narrowly escaping numerous brushes with death. This rousing story of a daring sea voyage also presents its antihero with a host of psychological dilemmas, and offers an important insight into Poes work as a whole. The only complete novel by infamous gothic horror writer Edgar Allan Poe, *The Narrative of Arthur Gordon Pym of Nantucket* has inspired other classic tales of maritime adventure, such as Herman Melvilles *Moby-Dick* and Jules Vernes *Twenty Thousand Leagues Under the Sea*.
