

Small Houses (Great Houses)

Small houses are less expensive to build, more energy efficient, and easier to maintain than big homes, but they don't have to feel small. In this collection of 37 articles from FINE HOMEBUILDING magazine, you'll find new houses, remodels, urban rowhouses, and guest cottages that double as work studios. A book full of practical design ideas and construction information that will help you realize just how beautiful small can be.
