

The Pleasure Slave

From the back cover... When Santa Fe antique dealer Julia Anderson was curiously drawn to purchase a battered jewelry box, she never expected it to contain her own personal love slave. Especially not tall, dark and sinfully handsome Tristan- a man hard to resist, and determined to fulfill her every desire. Though Tristan was a rogue of the battlefield and the boudoir, making love with Julia was like nothing hed ever known. Yet revealing his true heart would break the centuries- old spell and separate them forever. And Tristan would do anything to go on loving Julia... even remain a slave though all eternity...
