

The Practice of the Presence of God: The Best Rule of Holy Life (Very Good Christian Classics) (Volume 1)

God Is Always There for You The Practice of the Presence of God is a little gem. But it is also a book you have to be receptive to appreciate. Without this requisite receptivity, its pearls of wisdom would be wasted. But with the right frame of mind and heart, it is the perfect book. Perfect in that while it can be read in one hour; mastery of its central concept requires a lifetime. Well, at least for this soul ... and a very long lifetime at that. This is a short but profoundly meditative read. Good stuff for mothers in a hurry who want to ponder a connection with God in the midst of busy days; also palatable for people going through a hard time to read little bits at a time and absorb them without charging through. Brother Lawrence was a man of humble beginnings who discovered the greatest secret of living in the kingdom of God here on earth. It is the art of practicing the presence of God in one single act that does not end. He often stated that it is God who paints Himself in the depths of our soul. We must merely open our hearts to receive Him and His loving presence. For nearly 300 years this unparalleled classic has given both blessing and instruction to those who can be content with nothing less than knowing God in all His majesty and feeling His loving presence throughout each simple day
