

The Reluctant Husband

She was still his wife! Frankie thought she'd seen the last of her husband, Santino Vitale until he breezed back into her life with some earth-shattering news. Their marriage wasn't annulled, and now he intended to claim the wedding night they'd never had! He had it all worked out. Within three weeks Frankie would have paid her dues and be free to leave Santino, file for divorce and forget all about him forever. But Santino hadn't reckoned on falling for Frankie all over again or that now she could be expecting his baby.
