She has a brilliant new career ahead of her. BookPage A splendid crime-psychological thriller. . . . A book so well-plotted and so well-written deserves to have its surprises kept intact. St. Louis-Post Dispatch Riveting reading. Mystery Scene A serial rapist relies on successful career womens shame to insulate him from punishment. Then one of them sets out to find her missing lover, a married man, and in so doing exposes a sinister plot. Sophie Hannah is an award-winning, best-selling poet in England.
