

## The Whole History of Grandfathers Chair: or True Stories from New England History, 1620-1808

Hawthorne was a 19th century novelist and short story writer. He wrote about life in Colonial America. Hawthorne is most noted for his novel *The Scarlet Letter*. Hawthorne was an influential writer as well as an historian in the early years of the United States. *Grandfathers Chair* is a light historical work that covers the new found colony, revolutionary period, and life in the new republic. Events covered are: the Boston Tea Party, Salem witch trials, Tories, and the French and Indian War. Younger readers would find this a good introduction to historical literature.
