

Buckingham Palace Gardens (Charlotte & Thomas Pitt series)

In the latest compelling book in Anne Perrys bestselling Pitt series, Inspector Thomas Pitt must navigate the upper echelons of society if he is to find a murderer bold enough to kill in Buckingham Palace. Early one morning, Inspector Thomas Pitt is awoken by a message from his boss, Narraway. A maid has been murdered. The maid worked at Buckingham Palace and Narraway needs his most trusted man to deal with the investigation. The suspects are narrowed down to a group of guests, meeting with the Prince of Wales to discuss the funding for a huge project: the Cape to Cairo railway. If the murderer isnt found, the Queen will veto royal support for the scheme. It rests with Pitt to solve the murder - in doing so he must reconcile his own concept of justice with those who feel it is within their right to make their own laws, whatever the consequences.
