

## Trace and Learn Sticker Fun: Numbers and Counting (Im Learning the Bible Activity Book)

The Trace and Learn Sticker Fun: Numbers and Counting book teaches the little ones in your life basic number formation and counting skills as they trace numbers with a dry-erase marker and place matching removable, reusable stickers to round out sets of objects. Each of the pages features vivid colors and biblically-themed art, plus a bonus sticker section sure to be a hit. You'll love the wipe-clean feature that makes this book reusable so kids can fine-tune their skills as they practice writing their numbers over and over again.
