

## Unexpected

I was good at statistics, and I could tell you right now there was a 99 percent chance this wedding was going to end in tears. Probably mine. Hayley Miller Hayley Miller shares a Notting Hill apartment with her best friend and sister Rosie, has a job she loves, a great circle of friends but her love life is a total disaster. And it gets worse when she's a bridesmaid at her ex-boyfriend's wedding, stuffed into a bilious yellow dress that is threatening to explode at the seams. Rescued by the smoking-hot best man, who has always disapproved of her, she's surprised when they end up kissing with enough heat to melt the polyester nightmare. Hayley decides to give up on love and settle for sex. But dark, dangerous Nico has his own ideas about what he wants from Hayley. I freaking loved this it is hilarious. It charmed Sweet, hot, funny and poignant. There is so much emotion and empathy. Smart Bitches Trashy Books, Grade AA perfect blend of sexual tension, laugh out loud scenes and romance. Smexy Books, Grade A previously published as Ripped.
