

## Until Summer Ends

Sophie Newton is determined to prove herself to her father, who insists she could never run a successful business. She opens a beachside taco stand called The Sandy Tortilla and plans to make her own way, one burrito at a time. When she loses her summer help, Sophie rushes to find somebody to help take orders. She finds that somebody in Montgomery Winters, a struggling actor from LA. Mont takes the job; the money's useful, though he finds that his curvy boss is what really keeps him around. As Sophie and Mont work together, they discover an intense attraction between them. But when Mont's agent calls him about a career-making audition, he decides he must pursue the opportunity, even though he can't get Sophie out of his head. Now, Sophie must choose between chasing after the man she's falling in love with and the business she's fought so hard to build.
