

Valour in Valentineville: A Valentines Day Fantasy (Myths of the Middle Lands Book 1)

Valentineville is one of the four Seasonal Towns in the enchanted Middle Lands, bounded by the great Horn mountains and the mighty River. Chubby, affable Sebastian lives there, but he is miserable because a cherub has shot him with a love-dart that has made him desperate to take the mayors daughter Loveday to the Ball. Loveday, however, is a supreme snob and wont have anything to do with him. She prefers the company of the suave, slick actor...Valentino. So in desperation, he seeks the aid of his friend, Violet, the goatherds daughter, whose mother was a faerie. Violet tries to help him get the girl, first with a magic gift from the wishing well, and then through the aid of Hagatha the Witch, who changes his shape to the archetypical handsome prince. And thats where it all starts to seriously go wrong.... Quirky fantasy suitable for all ages.
