

Mosbys Review Series: Mental Health Nursing, 1e

MOSBYS REVIEW SERIES provides a comprehensive overview of core nursing content. Designed as a review or clinical resource during undergraduate coursework or in preparation for NCLEX-RN examination, these books present essential content in concise, outline format. Each book comprises four elements: introductory material, content review, questions and answers, and a comprehensive exam that is also included on disk (both IBM & Macintosh). Core content of each book follows an outline format that includes the five steps of the nursing process, home care, patient teaching, and geriatric considerations. A Volume in the Rollant Nursing Review Series (Includes a FREE disk.)
