

Democracy (Modern Plays)

Three political parties, in and out of bed with each other like drunken intellectuals, fifteen warring cabinet ministers, and sixty million separate egos. All making deals with each other and breaking them. All looking round at every moment to see the expression on everyone else's face. All trying to guess which way everyone else will jump. All out for themselves and all totally dependent on everyone else. Not one Germany. Sixty million separate Germanies. The tower of Babel! Set in West Germany in 1969, DEMOCRACY follows Willy Brandt as he begins his brief but remarkable career as the first left-of-centre Chancellor for nearly forty years. Always present but rarely noticed is Gunter Guillaume, Brandt's devoted personal assistant - and no less devoted in his other role, spying on Brandt for the Stasi. Published to tie in with major new production at the Royal National Theatre directed by Michael Blakemore starring Roger Allam, Conleth Hill, Nicholas Blane, Jonathan Coy, Christopher Ettridge, Paul Gregory, Glyn Grain, Steven Pacey and David Ryall.
