Vince Lombardi's uncanny ability to motivate and his unstoppable drive to succeed have made him the standard against which all NFL coaches are measured. *Winning Is a Habit* captures the charisma of the legend whose no-loss attitude in football was also his attitude in life. *Winning Is a Habit* is divided into 11 subject categories -- from faith to football, from winning to racism, from family to business to himself -- reflecting the diversity of his insights and the power of his words. Vince Lombardi taught that success in football and in his life is built on perseverance and hard work, lessons that continue to apply today.
