

Zombies: A Compendium

Horrifying ghouls, decaying corpses, body snatchers, grave robbers and flesh-eating monsters. In this gruesome anthology of the living dead, all these and more will try to catch your eye and devour your brain. From the macabre pens of the worlds most spine-tingling horror and fantasy writers, the grisliest, goriest, ghasstliest stories from the last two centuries have been plucked from the shadows by legendary editor Otto Penzler, to form the most monstrous volume in zombie history. Featuring a cast of world-class writers, including H.P. Lovecraft, Stephen King, Clive Barker, Richard Matheson, Edgar Allan Poe, Joe R. Lansdale, Vivian Meik, Lisa Tuttle, W.B. Seabrook, Karen Haber, Guy De Maupassant, Richard Laymon, Thomas Burke, Anthony Boucher, John Knox, Theodore Sturgeon and Seabury Quinn, this might just be the worlds biggest and bloodiest zombie anthology yet.
